

2017 Gaels Summer Youth Camp

Ages: 5 years old – 8th Grade

Location: Louis Guisto Field

Time: 9AM – 3PM

Register Online:

smcbaseballcamps.com

Summer Camp Session Details:

Our Gaels Summer Youth Camps are a great opportunity for players to improve their skills in the game of baseball. Players will learn the fundamentals of baseball and improve their skills through various baseball drills and simulations. Our camps offer a fun and positive atmosphere for kids of all ages. Players will receive

direct coaching from Saint Mary's coaches and players. Players will be divided into teams by age group and will be practicing and competing against other players of similar age and abilities. Our Camps fill up quick, so register accordingly at smcbaseballcamps.com

Summer Camp Swimming Excitement:

Our Summer Youth Camps provide another piece of excitement for campers. As part of your camp experience each player will be allowed to use the Joseph Alioto Recreation Center Pool for an hour each day. For those campers that do not want to participate in pool activities a movie option will be provided each day with an age

appropriate movie. Please remember to bring everything you will need to enjoy the pool each day: bathing suit, towel, sun screen etc. As a precaution Lifeguards will be on duty for the entirety of the pool hour as well as baseball coaching staff members for additional supervision.

Additional Information:

Email Coach Ross Gusky for additional questions & lunch information: reg6@stmarys-ca.edu
